Balham 90 Doors in Flat Painted

Hand Crafted

No one lives exactly like you, hence your kitchen should be unique. Our kitchens are designed by professionals who will interpret your individual aspirations prior to the furniture being lovingly made in our factory in the North East of England.

FRAME EFFECT

A sophisticated design statement that conveys modern day refinement and functionality. Frame Effect is beautifully proportioned to work with a range of doors and signature pieces to create elegant results.

Timber and Finishes

Whether solid, veneered, stained or painted, timber adopts a life and character of its own which gives each piece of furniture its own story. The unique texture of wood can be further transformed by the injection of a colour of your choice.
